## **FIGHT WEEK IS AROUND THE CORNER!**

The first **FIGHT WEEK** of the year is officially upon us! In just a few days, the action kicks off with a high-stakes press conference, weigh-ins, and finally, fight night.

The athletes are fired up, and their intentions are crystal clear.

Roedie Roets is ready to carry his family's fighting legacy into the Hex, while Ken Sekeletu has one simple promise - he will be the next champion.

Ayanda Zwane is coming in full steam, determined to bulldoze his way to a title shot, but Billy Oosthuizen remains unfazed, focused on delivering another show-stealing performance.
